

Wednesday 8th – Sunday 12th May 2024

OWNERS AND RIDERS

This information only applies to those Owners and Riders whose horses have been accepted to compete at Badminton.

START LIST

The Starting Order will be published on our website after the Draw which is at 1400 hrs on Monday 22nd April. If a rider has 2 horses, please remember that their order of starting is drawn as well, i.e. it cannot be requested / specified by the rider. NB. This year the Draw will not be streamed on Facebook live but will be recorded.

CATERING FACILITIES AT BADMINTON

Inside the *Collecting Ring* there is a Snack Bar and TV Tent for Owners, Riders and Grooms. In conjunction with EHOA we are again providing complimentary tea, coffee and soft drinks, there will also be a pay bar and a range of snack food to purchase. This is only open to those with ID Wristlets, i.e. connections of horses that actually start. It is open Thursday - Sunday.

Owners and Riders have complimentary membership of the Weatherbys Hamilton sponsored *Badminton Members Enclosure* (at the south end of the Main Arena). Here snacks and full meals are served. A limited number of tables may be booked in advance *but may only be used for the duration of the meal*. This facility has closed circuit TV and private toilets – *please also see Documents*.

Please also note our details about the *Portcullis Club* (*see Documents*). A discounted price is on offer for Owners and Riders and others interested who already have car passes and admission tickets. Please see Booking Form for discounted prices and download and return if you wish to reserve places.

NB: Riders - The refreshment vouchers we give you (in £1 units) can be used anywhere on the showground, except the Directors Tent and Portcullis Club. They can also be used in the Stables Canteen, which is open for breakfast, lunch & supper from Monday evening onwards.

CARS ON SITE & SHUTTLE

This year again no cars at all will be allowed up into the Park, other than in the Central Car Park. There will be a golf buggy shuttle service from the stables and horsebox park to the practice arenas and collecting ring on *Wednesday* (9am – 7pm); *Thursday & Friday* (7am – 5pm); *Saturday* (7am – 6.30pm); *Sunday* (6.30am – 4.30pm).

CAR PASSES, BADGES & ID WRISTLETS

The subject of *Car Passes and Badges* is often emotive - ID Wristlets for admission to Stables, Box and Collecting Ring will only be issued here at Badminton to those with horses actually running, as will the owners, competitors and grooms badges.

The special Car Passes that you will get, entitle you to bring in any number of passengers. However, all cars must be parked on site in the Central / Park Piece Car Parks or in the Owners / Competitors' Horsebox / Caravan Park, if you are actually competing, and **not** at the Collecting Ring, Stables etc. We will be providing Security Guards on the Owners / Competitors' Horsebox / Caravan park to ensure that only those with appropriate labels/badges/ID wristlets are permitted entry.

The badges also give admission to the ringside Badminton Weatherbys Hamilton Members Enclosure, and to the House side of the Horse Inspection area.

Here is a list of what you will automatically receive (as long as your horse competes):

- **Owners**
1 x **Central Car Park** Pass and 2 Badges /ID Wristlets to each Owner, up to a maximum of three owners per horse.
- **Riders**
1 x **Competitor** and 2 x **Competitor Support Car Park** Passes – the **Competitor** pass is to cover the rider / husband / wife / friend, extra groom; the 2 **Competitor Support Car Park** Passes can go to whoever you like, e.g. family, your trainer, physiotherapist etc. or other friends. 4 Badges / ID Wristlets again to cover yourself / family / trainer. Please do **NOT** give these to other connections (e.g. personal photographers) as they are not allowed into the stables or collecting ring. We will ask for the names of those receiving wristlets.
- **Groom**
1 Badge / ID Wristlet per horse.

ARMBANDS

On arrival at Badminton each competitor will be issued with 3 armbands, to be worn while walking the cross-country course. Anyone without an armband must walk **outside the string**.

STABLE PASSES

If the **rider** particularly wants family or a sponsor to come into the Stables, you can come personally to the Event Organiser's Office and ask for a day pass. (NB. These passes will not be issued to anybody unless accompanied by the rider).

VETERINARY SERVICES

Our onsite Veterinary cover will again be provided by the well-known B & W Equine Clinic. The Vets concerned will be John Killingbeck, Richard Hepburn and Ollie Crowe – all very experienced and specialist equine practitioners.

Antech and SOUND Vet will be offering facilities which will include a mobile laboratory offering haematology analysis, electrolyte and blood gas analysis, a chemistry analyser and a statspin centrifuge; there will be video endoscopy equipment with specialist staff; digital radiographic equipment; ultrasonographic equipment and there will be a weighbridge in the Riding School Yard.

Please note that this year our veterinary team will again come round the stables on Wednesday, Thursday and Friday and quickly listen to all horses' hearts while at rest. This should ensure that any irregularities can be discussed with you well before the horses are, as usual, checked again just before they start cross country.

Any veterinarian who wants admission to the Stables or to treat a horse in any way must complete an FEI PTV-PET Registration Form on arrival at the Event (See FEI PTV-PET Registration *in* “documents”) and be in possession of an FEI PTV Photographic ID Card, in order to be issued with the relevant “Badminton” ID Wristlet.

If you or your vet has any queries about the FEI Veterinary Regulations, please telephone Tim Randle, our Veterinary Services Manager for guidance (Tel: 07890 260971).

EQUINE THERAPISTS

See **FEI PTV-PET Registration Form** (*in Documents*). The FEI Veterinary Regulations require all PETs to be approved by our Veterinary Delegate and be supervised by a vet. Equine Therapists must also be in possession of an FEI PET Photographic ID card.

EHV-1 BIOSECURITY

Please see relevant document and make sure you are compliant with the requirements that are in place prior to your arrival at Badminton.

HUMAN PHYSIOTHERAPIST

For 2024, there will be a human physiotherapist on site. Further details will be included in the information sent out just prior to the event.
